

Workshop on territorial cooperation with regions and cities outside the EU

5th of February 2019, from 15h00 to 18h00
Hotel Leopold, Rue Luxembourg 35 1050 Ixelles

DESCRIPTION

The workshop will showcase the institutional capacities on economic development projects carried out by European local and regional governments in the framework of the Regional Policy, and how this experience could be of utility to accelerate territorial development outside the EU. There are good examples that provide inspiration and possibilities of cooperation with countries outside the EU. The workshop provides an overview of practical lessons showcasing how you could establish partnerships to better implement policies to promote regional development outside of the EU.

This side event of “Cities and Regions for Development Cooperation Forum” is co-organised by EURADA and INFYDE; both entities are working in the Innoval Platform project supported by the European Parliament Preparatory Action “EU-CELAC cooperation on territorial cohesion”
